Once in a while there is no copyright status listed on a resource. Neither could I find any global notice on the Getty Collection page.

I would like to get a verification that the following series (9 volumes) is in the public domain.

[https://archive.org/details/galeriedumuseena01muse\\_0](https://archive.org/details/galeriedumuseena01muse_0)

Your help is most appreciated.
